

LONG GROVE NEWSLETTER JULY 2021

Greetings to all residents of Long Grove. I hope all the "Dads" had a great Father's Day and that everyone had a great start to summer. It is hard to believe that the 4th of July weekend is already upon us.

Now that school is out of session for the summer, please watch for children at play or riding their bikes and use extra caution when traveling around town.

As a reminder the public hearing on the CIP and the July Council meeting will be held in person and via Zoom to accommodate residents wishing to attend either format. Please visit the City website for more information as the July 13 Council meeting and public hearing date approaches.

Congratulations to the Long Grove Civic League on the return and success of their Strawberry Fest. Unfortunately, this year's festival fell on a work weekend for me and I was unable to attend the festivities, but I have spoken with many individuals who had a wonderful time at the event. Congratulations as well to Scott Hoag.23 for all of his efforts and a successful Strawberry Stampede weekend. It sounds like a great time was had by all who participated.

If one of our residents is missing a large inflatable ball, it was apprehended by our public works employees after they noticed it wandering aimlessly around town on a windy day last week. The ball is in custody at City Hall and can be bailed out free of charge to the rightful owner. Please contact our clerk, Rosina, Guyer, and she will be happy to assist you with the return.

Congratulations to Matt Pike and Carol Roe on winning the June Long Grove trivia contest in their respective categories. Those Whitey's gift certificates may be a welcome treat during this warm weather.

The two trivia questions for July are listed below.

1. In August of 1838 two brothers purchased 160 acres of timber land in our area for \$160. What were the names of the two brothers?
2. What was the year that the first school opened in Long Grove?

Good luck to everyone who participates in our monthly trivia challenge. I thought it would be fun to learn some facts about Long Grove and to encourage learning about the town's history.

I wish everyone my warmest regards for a safe, healthy, and happy Independence Day.

Sincerely,

Michael Limberg
Mayor
