Property Owner Requesting Approval: _____

Property Address: _____

Description of the zoning request including dimensions, height, & type of material or style used:

New Buildings & Structures: After you have received approval from the City, please check with the Scott County Building Zoning Administration to obtain proper building permits and inspections, if required. (www.scottcountyiowa.gov -Planning and Development -Building inspections) All new buildings that require city water/sewer/electrical hooks are subject to city connections fees and inspection prior to meter installation. (Water: \$400, Sewer \$800, \$8.00 Per Electrical Foot)

All curb cuts or concrete work performed in the city R.O.W. require a registered licensed & bonded contractor, work to be inspected after pour and 30 days later (leveled and grass/sod planted).
